WILTSHIRE WARRIOR Saturday 21st March 2009

We are pleased to announce the first of our own excursions following our train being out of service for quite a lengthy period whilst additional safety equipment to current specifications was being fitted.

We are visiting Salisbury, a popular destination, where there will be time for sightseeing, viewing the historic cathedral, or shopping in the city centre and large open market

Our route from Hastings on both outward and return journeys will be via Battle, Tunbridge Wells, Tonbridge, Redhill and Guildford which will be our last pick-up point, then onward via Havant, Fareham, Eastleigh and Romsey. We would have liked a variation to our outward and return routes, but engineering work at various places on this day has precluded this.

Please note our train will be stopping at St. Leonards Warrior Square where car parking is available. This will also be convenient for those in this area, and for connections with other trains from/back to the Eastbourne direction.

Our train has a well stocked Buffet Car and a selection of hot and cold snacks and drinks will be available throughout the day at reasonable prices .
