* Stops to allow other trains to pass only
C Stops to change train crew only
Column PA, in minutes, added for pathing requirements between other services. Added onto the normal scheduled point to point times.

D Train will set down passengers only, if running ahead of scheduled time, with station duties complete and clear signals the train will depart ahead of the time shown, as happened on our previous trip. We will 'not be hanging about' if at all possible.

The train is only scheduled to stop for passenger purposes at those stations shown in bold type.

At other stops in station platforms the doors will not necessarily be released, unless there is expected to be a lengthy or protracted delay in restarting, listen for on-train announcements.
