OLYMPIA EXPRESS

SATURDAY 18TH DECEMBER 2010

**PRIVATE CHARTER TRAIN
TO THE LONDON INTERNATIONAL HORSE
SHOW**

& WESTFIELD LONDON CHRISTMAS SHOPPING

We are pleased to announce our second special Christmas train to Olympia and Westfield London. Once again the train starts from Hastings and calls at St. Leonards Warrior Square, Battle, Robertsbridge, Etchingam, Wadhurst, Tunbridge Wells and Tonbridge. We will then run non-stop to Kensington Olympia for the London International Horse Show, and Shepherd's Bush for Westfield London.

We have timed the train specifically for the afternoon performance at Olympia. This year the show features Christmas Masters show jumping, the Household Cavalry musical ride and the Ukrainian Cossacks. There are also the traditional favourites of the Shetland Pony Grand National and Dog Agility. We have allowed plenty of time to enjoy the whole show and the extensive Shopping Village.

After Olympia the train continues for the short journey to Shepherd's Bush. The station is situated adjacent to Westfield London, the largest urban shopping destination in Europe. The centre features over 270 retailers, several of which are unique to Westfield in the UK. There are over 40 places to eat, and new this year is the 14-screen Vue Cinema. So there is plenty to keep the whole family entertained!

For those who want even more shopping variety the vibrant Shepherds Bush market is just a short walk away.

Shepherd's Bush Underground station is located directly opposite the mainline station. Journey time to the West End is approximately 15 minutes on the Central Line.
