ENGLISH ELECTRIC ECHO

A Day Excursion to the Lincolnshire resort of Skegness

Saturday 18th September 2010

The destination of our autumn excursion is the popular east coast seaside resort of Skegness. To break the day's travelling we expect to have nearly three hours here, which should be sufficient time for a wander along the nearby beach and a look around this interesting seaside town.

Our train will also be calling at Boston, a thriving and attractive historic market town, with the 12th century St. Botolph's Church and its impressive tower (*nicknamed The Boston Stump*) which can be seen for miles around. Wainfleet will be another station stop (quite near to Skegness) where the Bateman's Brewery Visitor Centre is located. If you wish, it should be possible to visit more than one location as East Midland Trains and local buses (*at least two an hour*) link all three locations, although this additional travelling will be at your own expense and will need planning before-hand.

Our journey will be via Tonbridge, Bromley South, Kensington Olympia, then around west and north London to travel via the East Coast Main Line with a stop at Finsbury Park to pick up, which may prove more convenient for some passengers. Our outward journey is expected to be via Spalding, whilst on the return it is planned that we travel across to Grantham to join the ECML there.

Our train has a well stocked Buffet Car and a selection of hot and cold snacks and drinks will be available at reasonable prices throughout both outward and return journeys.

Included in the Club Class fare are food and drinks throughout both journeys, and an evening meal with wine will be served on our way home. Why not spoil yourself?
