X Crossing move at junction line to line

* Stops to allow other trains to pass only

Column PA, in minutes, added for pathing requirements between other services. Added onto the normal scheduled point-to-point times.

D Train will set down passengers only. If running ahead of the scheduled time shown, with station duties complete and clear signals, the train will depart ahead of the time shown.

The train is only scheduled to stop for passenger purposes at those stations shown in bold type.

At other stops in station platforms the doors will not necessarily be released, unless there is expected to be a lengthy or protracted delay in restarting, listen for on-train announcements.
