THE NENE MACHINE

A Day Excursion to Peterborough and the Nene Valley Railway

Saturday 12th May 2012

Our next excursion of 2012 takes us to the cathedral city of Peterborough, and a chance to ride over the full length of the Nene Valley Railway. Our route will take us via our normal pick up points to Kensington Olympia, from there we travel via the North London Line to Gospel Oak, then Haringay Park Junction. Joining the East Coast Main Line we travel via Alexandra Palace and Hertford North to our first stop at Peterborough.

For those not wishing to visit the Nene Valley Railway this stop will allow you around five hours in this cathedral city. From Peterborough we take the little used link to Orton Mere on the Nene Valley Railway. During our visit we will be making a complete run over the length of the Nene Valley Railway in both directions, and a layover of around an hour or so while the train is serviced for our return run. You will be able to alight at the stations we call at if you wish to break your journey.

We depart the Nene Valley Railway from Orton Mere and head back into Peterborough to pick up, then head for home via the East Coast Main Line to the Kings Cross Incline to join the North London Line, then on to Kensington Olympia and our normal stops back to Hastings.

Our train has a well stocked Buffet Car and a selection of hot and cold snacks and drinks will be available at reasonable prices throughout both outward and return journeys.

Included in the Club Class fare are food and drinks throughout both journeys, and an evening meal with wine will be served on our way home. Why not spoil yourself?
