WEYMOUTH ENVOY

A Day Excursion to Dorset

Saturday 20th July 2013

At long last we are pleased to announce a July excursion to popular destinations on the Dorset coast, as detailed on this leaflet.

We are sorry that we have been unable to run trips that we had in mind for earlier this year due to issues involving the new railway national radio system and pathing problems.

Our route on this occasion will take us via our normal pick up points to Bromley South, then via the Linford Street spur into the London terminus at Waterloo. We will then head down the main line via Winchester, Southampton and through the New Forest to Bournemouth, which will be our first setting-down point in Dorset. Our train will then make further stops at Wareham and Dorchester South before terminating at Weymouth. Those alighting at Bournemouth should be able to enjoy around five and a half hours at this popular seaside resort; the stop at Wareham is for those who may wish to visit the Swanage Railway at their own expense (*an hourly bus service operates to Corfe Castle and Swanage*); Dorchester is a pleasant market town; whilst about three hours should be available at Weymouth allowing those that travel this far to enjoy the beach and town centre, both in close proximity to the station.

Our return will be to a similar route and pattern as our outward journey.

Our train has a well-stocked Buffet Car and a selection of hot and cold snacks and drinks will be available at reasonable prices throughout times of travel. Included in the Club Class fare are food and drinks throughout both journeys, and an evening meal with wine will be served on our way home. Why not spoil yourself?
