THE HASTINGS DIESELS CREWE

A Day Excursion to Crewe

Saturday 12th July 2014

We are pleased to be able to announce an excursion on the above date which will take our unique diesel train on a run via the West Coast main line to Crewe.

The main attraction at our destination will be a chance to visit the Crewe Heritage Centre, which is holding a Model and Miniature Railway event over this weekend. It is hoped that we will have about three hours at our destination, the Heritage Centre being a short walk from Crewe station. For those who wish a break from railway activities Crewe has most of the usual shopping facilities of a large town.

We will be calling at our normal pick up points to Kensington Olympia before joining the West Coast main Line at Willesden. This will be the first time since 1996 that our train has run over the West Coast route, and pathing our train amongst the greatly accelerated services that now run has not been easy.

Our return will be to a similar route and pattern as our outward journey.

Our train has a well-stocked Buffet Car and a selection of hot and cold snacks and drinks will be available at reasonable prices throughout times of travel. Included in the Club Class fare are food and drinks throughout both journeys, and an evening meal with wine will be served on our way home. Why not spoil yourself?
