THE WARWICKSHIRE WANDERER

*A Day Excursion to Leamington Spa,
Warwick and Stratford-upon-Avon*

Saturday 4th July 2015

Our second excursion of 2015 gives a choice of destination to three towns, all of historic interest, the attractions of which most will be familiar with.

Our train will start from Hastings and run via Tunbridge Wells, Tonbridge and Bromley South picking up at our usual stations the last of which will be Clapham Junction, for those from the London area and an easy interchange for services from many other locations. We then take the slightly unusual route via Neasden Junction and Wembley Stadium to travel along the Chiltern route to Leamington Spa via High Wycombe and Banbury.

We expect to have just under four hours in Stratford-upon-Avon, longer at Leamington Spa or Warwick, for some of the attractions of those historic towns to be enjoyed.

The return route will be broadly similar to our outward journey, although we expect to enter west London area via Greenford and Acton.

Our train has a well-stocked Buffet Car and a selection of hot and cold snacks and drinks will be available at reasonable prices throughout times of travel. Included in the Club Class fare are food and drinks throughout both journeys, and an evening meal will be served on our way home. Why not spoil yourself?
