OLYMPIA EXPRESS

SATURDAY 17th DECEMBER 2011 PRIVATE TRAIN TO OLYMPIA & WESTFIELD LONDON

We are pleased to announce that our popular annual special train to Olympia and Westfield London will run again this Christmas. The train will start from Hastings and call at all our regular stations: Battle, Robertsbridge, Etchingam, Wadhurst, Tunbridge Wells and Tonbridge. It will then run non-stop to Kensington Olympia for the London International Horse Show and Shepherd's Bush for Westfield London.

The train has been timed specifically for the afternoon performance at Olympia. We have allowed plenty of time to enjoy the whole show and to visit the very popular shopping village. Show jumping events headlining at this performance are the Team Murka and The World Class Programme Under-23 British Championship, and the Renault Christmas Masters. Special events include the Lusitano Ride from Portugal and Lorenzo the Flying Frenchman. The traditional family favourites, the Shetland Pony Grand National and Dog Agility also feature.

After Olympia the train continues for the short journey to Shepherd's Bush. The station is situated adjacent to the Westfield London shopping centre. This impressive centre includes over 270 retailers, several of which are unique to Westfield in the UK. There are over 40 restaurants and a 14-screen 3D Cinema. For those who want even more shopping variety the vibrant Shepherd's Bush Market is just a short walk away. Shepherd's Bush Underground Station is located directly opposite the mainline station providing direct access to the West End via the Central Line.
