SALISBURY ★ STAR 2

Saturday 5th December 2015

Our popular pre-Christmas day excursion this year runs from Hastings via Battle, Etchingham, Tunbridge Wells, Tonbridge, Redhill and Guildford before heading south to Havant; we then continue west via Fareham, Southampton and Romsey to Salisbury.

The gem in the city of Salisbury is the historic cathedral, the second tallest in Europe with the tip of its spire 404 feet above the ground. There are also many other historic parts of the city which will be easy to explore in the time available.

For those who wish to spend their time Christmas shopping in fresh surroundings, there is a large open market in the centre of the city, with the shopping centre nearby. As we expect to spend about four hours in Salisbury, there will be plenty of time to search for presents, or to pick up those unexpected bargains!

Our train has a well-stocked Buffet Car and a selection of hot and cold snacks and drinks will be available throughout the day at reasonable prices.

We are particularly proud of the party atmosphere on our excursions at this time of the year, and this will be complemented by Christmas decorations on the train, with a mince pie and wine for all our passengers on the way home.

Our return route will be similar to our outward journey, although we expect to travel between Romsey and Fareham via Eastleigh rather than Southampton.
