* Stops only for crewing, pathing or operating purposes.

Column PA, in minutes, shows our pathing allowance between other services. This is added on to the normal scheduled point-to-point times.

D means that the train will set down passengers only. Therefore, at station times marked with **D** we may depart before the time shown if we are running early.

The train is only scheduled to stop for passenger purposes at stations shown in bold type.

At other stops in station platforms (including Reading) the doors will not necessarily be released.

Please listen for on-train announcements.
