

## OLYMPIA EXPRESS SATURDAY 20th DECEMBER 2014

Join us on the Olympia Express this Christmas, the easiest and most sociable way to travel to Olympia! Our historic Diesel train runs direct to Kensington Olympia station, directly opposite the Olympia Great Hall. Groups of friends can sit together both in the train and at the show. You can also enjoy drinks and snacks on the journey, available to purchase from the buffet car or at your seat from the trolley service.

The show features International Show Jumping classes, The Shetland Pony Grand National, Dog Agility and spectacular equestrian displays.

Tickets including train travel and show tickets are available and are very popular. **Please book early to avoid disappointment!** Tickets for train travel only are also available for those who prefer to book their own show tickets or just have a day out in London.
