THE FAWLEY FORESTER

Saturday 13 May 2017

Our train has been chartered by the *Three Rivers Community Rail Partnership* to run three shuttle-trips between Southampton Central and Fawley, on the old **Waterside Line** through Marchwood and Hythe. Its passenger service was withdrawn in 1966, and freight trains ceased serving Fawley oil refinery in 2016. This outing promotes the potential re-opening of the line to passengers, and celebrates the Partnership's 10th anniversary.

Rather than send the train empty to Basingstoke to begin the charter, we made it an outing in its own right. Our train will run via the L&SWR Main Line to Southampton Central, then make its first of three shuttle trips to Fawley, calling at Totton in both directions. After returning to Southampton it will then make two further shuttle trips to Fawley. The train's third and final departure from Fawley will be the start of its journey back to Hastings.

If booking from Southampton or Totton to Fawley only, please indicate your preferred trip.

As always, our train has a well-stocked buffet car selling hot & cold food and drink throughout the day at reasonable prices.

Finalised timings are outlined overleaf. The full timings are published and will be sent with tickets. The booking form is below and overleaf. In the event of queries, please ring our dedicated booking number 07501 478676, or email us at bookings@hastingsdiesels.co.uk.
