THE WEST NORFOLK WANDERER

Saturday 21 April 2018

Our first excursion of 2018 is to the coastal market town of **King's Lynn**, with stops at the historic university city of **Cambridge** and the cathedral city of **Ely**. This outing will also incorporate a run down the 3-mile Middleton Towers branch during the return leg.

Our 6-coach restored train will pick up passengers at the usual stations from Hastings up to Bromley South and Kensington Olympia: details are overleaf. Our route is then set to incorporate (unusually for us) part of the Gospel Oak to Barking line as far as Harringay Park Junction; then the Hertford Loop to Stevenage, and the new Down Cambridge Flyover at Hitchin. On the return, we follow the East Coast Main Line from Hitchin to just short of King's Cross.

As always, our train has a well-stocked buffet car selling hot & cold food and drink throughout the day at reasonable prices. In Club Class, passengers are seated at tables and the fare covers refreshments — including an evening meal with wine, served on the return leg of the trip.

Finalised timings are given overleaf; the booking form is below and overleaf. In the event of queries, please phone 07501 478676, or email us at bookings@hastingsdiesels.co.uk
