## THE DEAN FOREST FORAY

Saturday 6 July 2019

Our third outing of 2019 is to **Gloucester**, and onto the preserved [Dean Forest Railway](#).

This 403-mile railtour starts at Hastings and serves the usual stations to Tonbridge, then Redhill, Guildford and Reading. We'll be routed via Swindon and the Golden Valley line through Kemble to call at Gloucester (affording some 5 hours to visit the Roman city), before the final 19 miles' travel to Lydney on the northern shore of the Severn Estuary.

On approach to Lydney we will traverse the connection onto the Dean Forest Railway, before serving Lydney Junction station on the preserved line. We'll run in service to Norchard for water-tank refilling, and will later proceed to Parkend at the far end of the line. The return leg of the trip begins with a non-stop run from Parkend to Lydney Junction.

Our 6-coach restored train will call at the stations shown overleaf. As always, our train has a well-stocked buffet car selling hot & cold food and drink throughout the day at reasonable prices. Club Class passengers are seated at tables, and the fare covers refreshments — including a meal with wine on the return leg of the trip. Club Class isn't available from Reading as there is insufficient time from Gloucester for the evening meal.

Provisional timings are given overleaf; the booking form is below and overleaf. Please direct questions to (email) [bookings@hastingsdiesels.co.uk](mailto:bookings@hastingsdiesels.co.uk) or (phone) 07501 478676.
