THE EAST ANGLIAN EXPLORER

Saturday 11 May 2019

Our second outing of 2019 is to **Norwich** and **Lowestoft**, and to **Oulton Broad North** for those visiting the [East Anglia Transport Museum](#) (at additional charge) in Carlton Colville.

This 428-mile railtour starts at Hastings and serves the usual stations to Bromley South and Kensington (Olympia), and runs along the North London Line to Stratford. It traverses nearly the entire 114-mile length of the East Anglia Main Line via Colchester and Ipswich. Those alighting at Norwich will have 4½ hours to visit the medieval city.

The final 23-mile leg of the trip is to the seaside resort of Lowestoft, the most easterly settlement in the UK. On approach, we stop at Oulton Broad North where a special bus service is being laid on by the Museum to convey our passengers to its *50s Seaside Celebration* event — please indicate on the form if you wish to use this bus service.

Our 6-coach restored train will call at the stations shown overleaf. As always, our train has a well-stocked buffet car selling hot & cold food and drink throughout the day at reasonable prices. Club Class passengers are seated at tables, and the fare covers refreshments — including a meal with wine on the return leg of the trip.

Provisional timings are given overleaf; the booking form is below and overleaf. Please direct questions to (email) bookings@hastingsdiesels.co.uk or (phone) 07501 478676.
