THE LUDGERSHALL LEGIONNAIRE

Saturday 14 September 2019

Our late-summer railtour is to **Salisbury**, and includes a visit to the Ministry of Defence track at **Ludgershall**, on the Hampshire / Wiltshire border.

This 386-mile outing starts at Hastings and serves the usual stations to Tonbridge, then Redhill and Guildford. From there we take a circular route, outward via Reading and Westbury to Salisbury where over 5 hours' sightseeing time is available. During that time our train embarks on a 49-mile round-trip to MOD Ludgershall, including 7 miles of the closed *Midland & South Western Junction Railway* from Andover. It will not be possible to alight from the train at MOD Ludgershall, and we have been instructed to allow *no photography*. We will return to Salisbury with over 2 hours' time remaining; on our homeward run from Salisbury, we'll be routed via Chandlers Ford, Fareham and the *Portsmouth Direct* line to regain Guildford for our journey back to Hastings.

Our 6-coach restored train will call at the stations shown overleaf. As always, our train has a well-stocked buffet car selling hot & cold food and drink throughout the day at reasonable prices. Club Class passengers are seated at tables, and the fare covers refreshments — including a meal with wine on the return leg of the trip.

Finalised timings are given overleaf; the booking form is below and overleaf. Please direct questions to (email) bookings@hastingsdiesels.co.uk or (phone) 07501 478676.
