## THE FAVERSHAM HOP

Saturday 11 January 2020

Our mid-winter railtour is from **Eastbourne** to **Canterbury** and **Faversham** via Rye.

This 188-mile outing is similar to our *Canterbury Bell* railtour which we ran on the last day of 2016; it is intentionally not too long — no early start, and back home for the evening!

We begin at Eastbourne and traverse the Romney Marsh before reversal at **Ashford International**. We'll then run alongside HS1 to Folkestone, and pass through Shakespeare Cliff to reach Dover; a climb through the hills and former coalfields of east Kent leads us to **Shepherdswell** (home of the *East Kent Light Railway*), and down into the cathedral city of Canterbury; the final 10-mile stretch brings us to the brewing town of Faversham.

Our 6-coach restored train will call at the stations shown overleaf. Because of short platforms, at **Rye** boarding and alighting will be possible via the leading coach only.

As always, our train has a well-stocked buffet car selling hot & cold food and drink throughout the day at reasonable prices. Club Class passengers are seated at tables, and the fare covers refreshments — including a light lunch of sandwiches and salad on the outward journey, and tea & cakes plus wine on the return leg of the trip.

Provisional timings are given overleaf; the booking form is below and overleaf. Please direct questions to (email) [bookings@hastingsdiesels.co.uk](mailto:bookings@hastingsdiesels.co.uk) or (phone) 07501 478676.
