THE FAVERSHAM FLYER

Saturday 11 September 2021

Our second railtour this year will again be for a relatively short distance, and will run from **Hastings** via Rye and the Romney Marsh, via Ashford International, to the historic city of **Canterbury** and the quaint brewery town of **Faversham**. Both of these were popular destinations when we visited them in January 2020.

A limited Club Class service will be available on this trip, comprising tea/coffee through the day, sandwiches and cake for lunch, and a pre-prepared ploughman's supper with wine on the return journey. The Buffet car will be open for the sale of hot & cold drinks, snacks and light refreshments.

Our 6-coach restored train will call at the stations shown overleaf. Because of short platforms, at **Rye** boarding and alighting will be possible via the leading coach only.

We are reducing our Covid-19 precautions in line with the gradual relaxation of restrictions nationally: we ask that customers wear a face-covering except when seated; we will endeavour to provide some degree of social distancing in the seating-arrangements — lone customers not travelling together may be seated diagonally opposite one another in a bay of 4 seats, but if numbers permit they will be seated in separate bays.

Provisional timings are given overleaf; the booking form is below and overleaf. Please direct questions to (email) bookings@hastingsdiesels.co.uk or (phone) 07942 906311.
