## THE SURREY HILLS SURPRISE

**Saturday 6 January 2024**

Our winter railtour is to **Guildford**, nestling at the foot of the North Downs, with a side-trip to the so-called Mid-Kent Line which is actually the **Hayes branch**.

Guildford is Surrey's second-largest town (it does not have city status despite its cathedral which was completed in 1965); it is situated on the River Wey, a major tributary of the River Thames. We are scheduled to have nearly 3 hours there.

The outward route of this 197-mile trip is via a reversal at New Cross to a photo-stop at Hayes, then proceeding via London Blackfriars (reverse), East Croydon and Redhill to Guildford; the return is direct via Redhill (with reversal there).

Our 6-coach restored train will call at the stations shown overleaf. Our buffet car will be open all day for the sale of hot & cold food and drink at reasonable prices. In **First Class** an inclusive at-table service of drinks and light refreshments is offered through the day, including wine on the return leg of the trip.

**Finalised timings** are given overleaf; the booking form is below and overleaf. We accept payment by cheque or [bank transfer](#). Please direct questions to (email) [bookings@hastingsdiesels.co.uk](mailto:bookings@hastingsdiesels.co.uk) or (phone) 07942 906311.
