THE DERBY RESEARCHER

Saturday 13 July 2024

Our fourth railtour of 2024 is to **Leicester, Loughborough and Derby**. The name of this trip comes from British Rail's Research Division which used to be housed at the Railway Technical Centre in Derby.

After leaving **Clapham Junction**, we are booked to run via Kew, Acton Wells and the Dudding Hill line to Cricklewood; there, we'll run down the Midland Main Line for the remaining 122 miles to Derby. Our passengers are scheduled to have 2½ hours at **Derby**, or 3¼ hours at **Loughborough**, or nearly 4 hours at **Leicester**. Our return route will retrace the outbound.

Our 7-coach restored train will call at the stations shown overleaf. Our buffet car will be open all day for the sale of hot & cold food and drink at reasonable prices. In **First Class** an inclusive at-table service of drinks and light refreshments is offered through the day, with sandwiches at lunchtime and cheese & wine in the evening.

Finalised timings have now been received, and are given overleaf; the booking form is below and overleaf. We accept payment by cheque or [bank transfer](#). Please direct questions to (email) bookings@hastingsdiesels.co.uk or (phone) 07942 906311.
